

2 of June 1936

Dear cousin Robert in first place
I hope those few lines will meet you
and all your family injoying the
best of health so now I must tell
you that I received your letter dated
the 16 of October the year past
on the 19 of October past I become
very sick and all of us except
one sister with the black pocks
I think is the name of it and this
sicknes did spred very much about
here and did hold a long time
and there was another bad thing
there come a great plague of
those grassappers the did ~~the~~ stay
here about haugh the summer
the eat nearly all the plantacion
about here, and now the rainy
time is very much ~~at~~ here

so now you told me about that book
and I think it is the very one I
want so in your next letter tell
me how much it cost and I
will send you the money
so in your next letter tell me what
way is Mary getting on and if you
no any thing about Stephen Row
tell me to it is a long time since I
herd any thing from him so now
I must close wishing you and
all your family every thing good
your sincerely Annibal Lennots

you must excuse me for writing
so bad I am more in the habit
of writing in portuguese
